

WRCF Zoom Meeting, November 11th, 2024

The meeting was called to order just after 7pm with 5 members in attendance.

Bernie Baker gave us a short treasurers report and said member renewals for 2025 are beginning to come in. Bernie also said he would send out an email prompting existing members to renew for 2025 and pointing out that dues are now \$45.

Tim Peters ran through the nominees for club officers for 2025:

President – Bernie Baker

Vice President – Jim Simonitch

Secretary/Treasurer - Tim Ryan

Safety Officer – Mike Lawver

Field Officer – Don Pieken

The nominations were approved by those present, and an election will be held the second Tuesday of December, the 10th, via a Zoom meeting.

Jim Simonitch commented on our lack of a newsletter and was given a history of the excellent newsletter previously managed by Nelson Carpenter. We have not been able to find anyone willing to take on that responsibility. Jim said he has experience with newsletters, and we invited him to look at the archived issues on the club website to see if he or someone he knows would be interested in taking it on.

Jim Simonitch also inquired about our calendar of events for 2025, with an emphasis on working with other local clubs to avoid scheduling conflicts.

The meeting was adjourned at 7:20pm.
